BROKE DOWN.—Yesterday morning a two-hurse wagon, loaded with coal, broke down on Market street, nearth Ninth.

ELECTION OF OFFICERS.—The new Board of Directors of the Benwood Iron Works met at the office of the company yester day afternoon and organized by the relection of the old officers, viz. A. W. Campbell, President; L. S. Delaplain, Vice President, and Alonzo Loring, Secretary.

WATER pipes are being put into the Capitol Building and have attachments made in each story, against danger from fire. The work will be done in a day or two, and will be besides the advantage above noted, a great convenience to the clerks and other employes in the building. A supply of hose sufficient for the purposes of a fire has been purchased and stored in the building.

The Executive Committee of the Ohio Connty Veteran Association met at their hall in the New McLure House last night. Several applications for membership were received and considered. The matter of the Soldiers' Monument was also before

An ordinance contained in the printed ordinance book of 1855, provides for taking and using, for the purpose of Market space and building, that portion of Market space and building, that portion and Third streets, flow Twenty-second and Twenty-third streets, together with thirty-two feet off the ends of lois that abutted upon Market street between Said cross streets. The ends of such Tots were conveyed by their owners, to the city and the consideration for them, as well as the cost of the building and improvements, which were made by the city, (the Fifth ward Councilmen acting as a building committee) were paid for, as before mentioned, out of moneys paid into the city treasury by individual citizens of the lower wards. Certificates of the amounts so paid in were issued to such citizens by the city, redeemable without interest at the pleasure of Codnell. These certificates were of the amount of \$20 each, and the ordinance further provided that the net regenne derived from the city, after desidenting from the gross receipts the necessary repairs of said-market buildings and space, and the expen-

Under this arrangement the market was run with, varying success, for several years, but the profits to certificate or stockholders did not amount to much, and the value of certificates ran down to sixty, fifty and at times forty cents on the dollar. Finally a syndicate was formed, which bought up most of the stock, and the control of the market having been placed in the hands of the Councilmen from the Fifth ward, the market began to yield some revenue to certificate holders. Under the careful management of the present stockholders it is understood that the market is paying handsomely, the dividends averaging about twenty per cent annually. As before stated, it is understood that the holders of the certificates or stock, are willing to make any needed improvements, provided the city will "guarantee them possession of the property for a term sufficient to reimburse them, and twenty years provided the city will guarantee then possession of the property for a term suffi-cient to reimburse them, and twenty years

PURCHASE OF SILVER MINE BY WHEELING
PARTIES.—The following item is takes from the Silver Cliff, Col., Daily Miner: Among the recent sales made in Gibson's gulch, on the Sargre de Cristo range, by the owners of the "Good Enough" mine, we learn that Mesars. Lindley and Owen have transferred by sale three finely located claims, viz: Harsy Lee. Little Van and Wheeling lodes to Capt. R. T. Rogers, for Mesers. Norten, Peterson and J. V. L. Rogers, of Wheeling, West Virginia, who propose, upon the opening of spring to commence active operations in these mines!

Only a short time ago Silver Cliff contaited but five houses, and to-day it boasts of 3,000 inhabitants. Our friends who have made the purchase above noted, hope for large realizations in which, we trust, they will not be disappointed.
